CAREER SUMMARY

Enthusiastic front-end developer with a knack for crafting visually appealing and user-friendly websites. Eager to gain hands-on experience in a professional setting and apply my skills in HTML, CSS, and JavaScript to real-world projects. Ready to dive into the world of web development and contribute to innovative solutions as a dedicated intern.

SKILLS AND STRENGTHS

- **Html,Css,JavaScript** - Proficient in HTML, CSS, and JavaScript, with a strong foundation in building responsive and dynamic web interfaces. Skilled in creating engaging user experiences and implementing modern design trends.
 - **C and C++** - Proficient in C and C++ programming languages at an intermediate level, with a strong grasp of fundamental concepts and problem-solving techniques. Experienced in building applications with structured and efficient code.
 - **Bootstrap and Tailwind Css** - Skilled in utilizing Bootstrap and Tailwind CSS frameworks at an intermediate level to create responsive and visually appealing web interfaces. Proficient in leveraging pre-built components and utility classes to streamline the development process and enhance user experience.
 - **Python** - Proficient in Python at a beginner level, with knowledge of basic syntax, data structures, and control flow. Familiar with fundamental concepts such as variables, loops, conditionals, and functions. Working towards expanding proficiency through practical application and learning resources.Also Familiar with object oriented programming.
 - **Git and Github** - Comfortable with basic Git and GitHub operations. Proficient in essential commands like clone, add, commit, push, and pull. Familiar with creating branches, resolving merge conflicts, and collaborating on repositories. Continuing to explore advanced features to enhance version control skills.
